Mr. Paul Steger
N6272 1070th St.
River Falls, WI 54022

Dear Paul:

It was a delight to have you come to the library to entertain our group of parents and children for our summer library reading program. Your program was very entertaining for all ages, and it was obvious that you've had lots of experience performing for groups. It was fun to hear so much laughter from everyone in attendance.

Thank you for an enjoyable time.

Sincerely,

Cheryl Moe
Director
