Dear Paul,

We from the Pierce County Fair would like to say thank you for performing on Thursday and Friday at our 1995 Pierce County Fair. Our audiences enjoyed the fun "family oriented" nature of your magical acts on both days of our Fair. You were well organized, easy to work with, and provided great entertainment for children and adults alike. We would gladly recommend you to anyone looking for a superb magical time!

Sincerely,

Joan Kratt,
Pierce County Fair Coordinator
