Dear Paul,

I would like to extend our appreciation and thanks for the two wonderful shows you put on for us last Saturday. I have received a number of very positive comments from those in attendance, as well as quite a few "how did he do that !!" from my students. Your show was truly entertaining for young and old alike. I heartily recommend you to other interested groups.

Of additional interest, your show proved to be an excellent fund raiser for our program. Not only did we help our own cause, but we provided quality entertainment for those living in the area. We found this to be particularly satisfying and a much more worthwhile venture than the traditional product sales style of raising money.

Thanks again for the great time. Feel free to have others interested in your act to give us a call if they have any questions.

Sincerely,

Michael J. Harvey
