Dear Paul,

Everyone thoroughly enjoyed your magic show. As a matter of fact, I would like your permission to give your name to other librarians in our library system as a possible performer for their summer library programs.

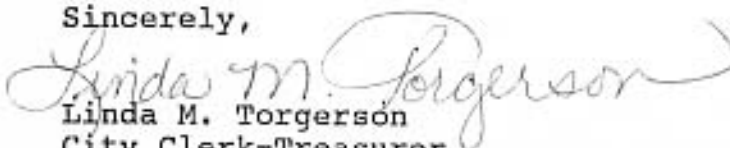

Each year our library system hosts a workshop on the theme of the current year's Summer Library Program. Librarians share activity and program ideas with each other so that we can plan for the upcoming program. I could give them your name/address/phone if you would like.

Enclosed, find a brochure which tells all the libraries in our system so that you have some idea what libraries may contact you if you agree.

Let me know as soon as possible if you do not wish me to give your name to the other libraries.

Once again, your show was enjoyed by everyone who attended. I enjoyed it very much!

Sincerely,

  
Linda M. Torgerson  
City Clerk-Treasurer
