Dear Mr. Steger,

I am writing this letter to thank you for your wonderful magic performance at our unit's holiday party. Your show was enjoyed by the people of every age present at the party. I also have received many positive comments about your first-class performance by the organizers of the party and many guests present at that time.

Thank you again for the show you gave at our holiday party. The fun and charm you provided will not be forgotten any time soon, so don't be surprised if you are contacted again for next year's party.

Sincerely
